CHEESY POEM

You will have to create the **cheesiest** poem you can imagine with a partner of your choice.

Your team will receive a secret code to make sure your poem remains anonymous.

IN OTHER WORDS... Shhhh... DON'T TALK ABOUT IT TO ANYONE.

The poem must be **4 paragraphs of 2 sentences** long.

Your cheesy poem can be about anything that you adore (love, friend, pet, family, hobby, sports, etc.).

Before you write your final draft, your teacher needs to approve your work.

This will be a competition. Students from the class will vote for their favourite poems in different categories.
